WORKING DOG-SERVICE (WD-S) or WORKING DOG-HERD (WD-H)

Working Dog-Service (WD-S)

OPTION 1: Certified Assistance Dog who has been in service for one year including, but not limited to: Working Guide, Hearing, Service Rescue or Police Dog. Submit a certification from the service organization and the owner/handler or a video of dog/handler/owner working that will be reviewed by a minimum of 2 members of the Merit Committee for approval if the dog/bitch is self-trained by his owner/handler and not trained through a service organization. Acceptable service organizations include, but are not limited to: Guide Dogs for the Blind, Seeing Eye, Canine Companions for Independence, US Police Canine Association, Paws for a Cause and other approved incorporated groups/individuals or chartered public agencies with written standards. A member may request that an organization and/or individual submit guidelines to the Merit Committee for approval.

Working Dog – Herd (WD-H)

Option 1: Successfully complete an AKC Herding Intermediate title on any stock or course

Option 2: Working Herd Dog who does actual herding work on a regular basis.

Submit a video of the dog's daily herding activities and a description in writing with any unusual or special activities that occurred when in service. The video will be reviewed by a minimum of 2 members of the Merit Committee for approval
