Future Messenger Dog Event

The Future Messenger Dog Event will be from 9am until 12 noon Tues., April 11.

We will be adjacent to Herding so those participants & spectators can participate in the FMD.

Due to the increased popularity of the FMD, we are encouraging people to sign up in advance. We will still take whatever entries that time permits on the day of the event and will collect all fees then. Entry fee for the FMD is \$5, and no payment until the event.
